

INDIA'S 1ST INTEGRATED SCHOOL FOR SPORTS & ACADEMICS

BALANCING SPORTS & EDUCATION @ THE SPORTS SCHOOL

STRIKING THE PERFECT BALANCE
BETWEEN TRAINING AND LEARNING

**THE
SPORTS
SCHOOL**
A KALPEN VENTURES INITIATIVE

Parents face the difficult decision to let their children pursue a career in sports as the traditional education system is not flexible enough to balance sports and academics. This can take a toll on their academic qualifications or force them to quit their sporting dreams. Identifying the persistence of this issue in India, The Sports School was established with the vision to integrate sports and education to encourage young sports enthusiasts and support professional athletes.

The key to success in life is Holistic Development. But how can you strike that perfect balance between training and learning? Come and discover the best way to get educated as an athlete at The Sports School.

The Sports School, spread across a lush green 27-acre campus in Bangalore, India, has a unique methodology designed to equip our students with equal focus on sports and academics to transform them into well-rounded professionals in the world of Sports. We offer an educational curriculum that, instead of just including sports, has academics built around sports.

NEWS ROOM

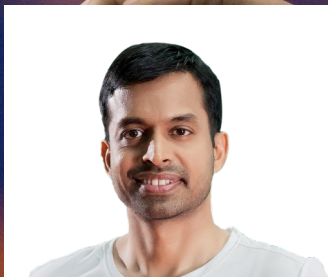

SPORTS

The Sports School School's sport programmes aim to develop student-athletes optimally through an athlete-centred and coach-driven approach, while receiving a flexible yet rigorous academic programme.

Our teams of highly accredited coaches and mentors for different sports provide elite training prospects through tailored training programmes as per the level of the student, i.e Beginner, Intermediate and Professional Level. We incorporate a unique approach where a systematic, integrated system is built around developing a lifelong involvement of student-athletes in physical activity and sport participation, as well as produce future champions.

Programs, Mentors & Facilities

The Sports School offers dedicated programs across numerous sports under scholarly academicians, veteran trainers, and well-renowned coaches. All our sports courses are conducted in the state of the art facilities to ensure that our students procure international level sporting experience.

PULLELA GOPICHAND

CHIEF MENTOR

Pullela Gopichand is a globally renowned Indian Badminton player, former All England Champion, the Chief National Coach for the Indian Badminton team, IOC coach of the year awardee and the Founder Director of Badminton Gurukul. He has received the Arjuna Award in 1999, the Dronacharya Award in 2009 and the Padma Bhushan, India's third highest civilian award in 2014. Some of the top badminton players coached by him include P. V. Sindhu, Saina Nehwal, Parupalli Kashyap, Srikanth Kidambi, B SAI Praneeth, RMV Gurusaidutt, Sikki Reddy, Satwik SAI Raj and many more.

BADMINTON

• 12 BWF Standard Badminton Courts

Badminton Gurukul, an initiative by Pullela Gopichand, is a platform to promote physical literacy & grow badminton in the country by making excellence accessible to create positive playing experiences through quality coaching, imparted in an organised and systematic manner, using the collective knowledge of our achievers while promoting joy and happiness through sports and high quality sporting events. This journey is supported by Aparna Popat, double Olympian and nine times National Champion who is the Director of Academies with Badminton Gurukul.

The Sports School Badminton Academy with technical partners Badminton Gurukul and Padma Bhushan Pullela Gopichand as Chief Mentor strives to provide the best training methods to our students to groom their willingness to play the sport and turn it into a full-fledged profession. This is a professional academy which will provide training at the intermediate and professional levels, at the same time ensuring full-fledged guidance for the young badminton enthusiasts.

TENNIS

- 7 ITF Classified Acrylic Cushioned Tennis Courts

- 1 Stadium Court | 6 Synthetic Courts

- The Synthetic Courts have Floodlight Facilities

OTHER FACILITIES

At The Sports School, we aim to realise the emphasis of medical and other assistance for our young sports enthusiasts. They play a pivotal part in forming an all-round development for students who want to pursue sports professionally. We have chalked out these prominent steps:

STATE OF THE ART GYMNASIUM

- Gym facilities include exercise rooms, free weight, and other equipment with certified and experienced gym trainers

VIDEO ANALYSIS ROOM

- Allows students to take a peek into nuances of the game and provides coaches an effective way to analyse the performance

LOCKER ROOM

- Separate Locker Rooms for male and female students equipped with all the necessary facilities

PHYSIOTHERAPY

- Partnered with Peak Performance, a renowned Sports rehabilitation, and athletic conditioning centre and equipped with state of the art facility, and experienced strength and conditioning trainers

MENTAL WELL BEING

- Assisting students with developmental and social aspects of sports participation. Collaborated with renowned Sports Psychologist and international level swimmer Shubha Chittaranjan

MEDICAL

- Partnered with the world-renowned Astra Hospital to provide quality medical, health, and wellness services to students. Apart from that, Nurses are available on campus 24x7

NUTRITION

- Partnered with nutrition experts to provide students customised nutrition programs, supplement strategies, and support during travel and competition

YOGA ROOM

- Dedicated space on campus for students to practice mindfulness under the supervision of coaches

THE SPORTS SCHOOL'S ACHIEVERS

- The Sports School is India's 1st school with FIFA Quality Pro Certified Artificial Football Turf

STUDENT TESTIMONIALS

ABHIRAM S

FOOTBALL PLAYER

I've been with The Sports School training under Bengaluru FC for one whole year now. I joined this institution with a dream to pursue football and at the same time, excel at academics. And I'm glad to say this place is a dream come true for sports enthusiasts. I want to conclude by saying that The Sports School breaks all stereotypes and proves that sports and academics do go hand in hand.

NATHAN DMELLO

CRICKETER, PLAYED FOR UAE U-16 & ASIA CUP U-19

The Sports School has given me a phenomenal experience where I was guided by Robin Uthappa sir and other great coaches who have brought out the best in me. It's a place where your dreams can turn into reality & what a sportsperson could only wish for.

SRAVYA SHIVANI

PROFESSIONAL TENNIS PLAYER TRAINING AT THE SPORTS SCHOOL

It feels great to engage with other sports players at The Sports School. Staying in the hostel is an entirely different experience because we get to focus on both studies and sport. The food and the diet are taken care of, and there's absolutely nothing to worry about, which makes it a home away from home.

RISHI REDDY

KARNATAKA TENNIS PLAYER TRAINING AT THE SPORTS SCHOOL

If you want to pursue your sports dreams and not let your academics fall behind, I think The Sports School is the best place to start. We have some of the best coaches in India, and we have a variety of players who help us improve. If you have any future endeavours in sports, then sports school is the place.
